

Women in the Outdoors™ Courses:

Archery 1-2-3

You will learn how to shoot compound and/or traditional bows at targets 10-15 yards away. You will be able to select archery and fitting equipment that meets your needs.

Freshwater Fishing

You will learn the basics of casting techniques, fish habitat and species identification. This course offers information, which will help you select a rod and reel, line weights, baits and lures, waders, fishing vests and other accessories.

Roughing It Easy

This course will ease you into camping if you've never done it before, and will give helpful tips on equipment, fire building, and outdoor cooking.

Pond Ecology

The importance of water quality will be discussed and you will learn about the energy flow in a permanent pond. We will seine a pond to collect fish for identification.

Gardening For Wildlife

You will learn how to mix plants, water and wildlife shelters to create a wildlife haven in your back yard.

Birding 101

Bombay Hook National Wildlife Refuge will host this course. You will learn the basics of bird watching then go afield to see and identify birds.

Riches In The Ditches

In early spring Vernal Pools come alive with amphibian migration, mating, egg laying, and hatching. You will visit a Vernal Pool and learn about a unique animal community.

Fly Tying

Learn the art and craft of fly tying. Basic equipment and fly fishing will be discussed. You will produce your own fly.

Growing and Using Herbs

You will learn the basics on growing herbs and using them in the home. Natural remedies will be discussed.

Spring Babies/Wildlife Rehabilitation

Rabbits, squirrels, and fawns oh my! Wildlife nurseries are all around us. You will learn how to identify and interact safely with orphaned and injured wildlife.

Woodworking for Wildlife

Participants will learn about cavity nesting birds and how to entice them onto their property. You will construct a nest box!

Kids In The Outdoors

Terrific Turkeys from the Growing Up Wild curriculum will be featured as one of the many activities you will learn about during this course. You will make your own turkey call!

It's an Outdoor Education Event!

When: Saturday, April 14th, 2012

Where: The scenic Mallard Lodge
Smyrna, Delaware

For: Women ages 14 and up

Sponsored by the Delaware Chapters of the NWTF in Partnership with the Delaware Division of Fish & Wildlife, and the U. S. Fish & Wildlife Service

Learning outdoor skills, meeting new people and spending time with friends and family are what the National Turkey Federation's Women in the Outdoors program is all about. You will build skills, enjoy the outdoors and learn about wildlife conservation. The NWTF has committed important resources to reach women from all walks of life and make a difference!
